Weld County Aging Well Age-Friendly Community Initiative

Age-Friendly Community Survey

Town of Nunn Residents:

An opportunity for community feedback and engagement!

Dear Resident:

United Way of Weld County is asking for your opinion on the quality of life for older adults and us all and about available resources in Weld County. The Weld County Aging Well Age-Friendly Community Initiative, in partnership with AARP, is a county-wide effort to engage residents to create healthy, safe, and happy communities for people of all ages. We are asking Weld County residents of all ages to fill out this 15-20 minute survey to get a better idea of how appealing of a place Weld County is to live. **By completing this survey, you can enter a drawing for one of five \$50 VISA gift cards.**

By completing this survey, you will be providing crucial information on how the Weld County community can improve the lives of older adults and people of all ages. Please share this survey with your friends, family, coworkers, and other networks to help spread the word! The final date to submit the survey is August 23, 2021.
